Dear Howard Roffman

I was given your name and address by my good friend Harold Weisberg. Harold and I have not met face to face yet, but we are well acquainted through our heavy correspondence and many phone calls.

I am looking, and have been looking, for some time now for a copy of your book, "Presumed Guilty", without success. Harold thought it was possible you may have a spare copy you could sell to me.

I will be teaching a course next year through the Continuing Education programme at Auckland University, 'The Assassination of President J.F. Kennedy- Fact and Mythology', and I feel very much that I need my personal copy of your book.

If you cannot provide me with a copy of the book yourself, could you suggest where I may might pick up a copy?

I look forward to hearing from you.

With best wishes and greetings from New Zealand/Aotearoa.

Yours faithfully

Dal McGuirk
